Louis A. King, Chairman
Kintronic Labs, Inc.
PO Box 845
Bristol, TN 37621-0845

Dear Louis,

It is my great pleasure to officially inform you that you have been named to receive the **2008 NRB Impact Award in Radio**. Congratulations!

This decision is based on a thorough review and judging by your peers in conjunction with the NRB Radio Committee. The award signifies that you have significantly impacted your market through your activities, inventions, etc., that extend far beyond the standard involvement, expectations, or accomplishments of the Christian radio industry. To be presented for the first time, this award is designed to recognize worthy "behind the scenes" people and organizations that often go unnoticed or unrewarded for their outstanding and unique efforts.

Presentation of the award will take place at NRB 2008, our 65th Annual Convention in Nashville, TN, March 8-11, 2008, at the Gaylord Opryland Resort & Convention Center. I'm hopeful that you will be able to accept the award in person.

You and other awardees will be honored in two segments on Saturday, March 8:

- 5:30 p.m. Presentation of the award by NRB leadership, including Chairman Dr. Ron Harris, President Dr. Frank Wright and Awards Chairman Peggy Campbell. Official photos will be taken at this time.
- 9:00 p.m. Radio Reception & Awards Recognition

You will also be featured, with the other 2008 honorees, in a commemorative awards brochure in the convention issue of *NRB* magazine.

Please contact Anne Dunlap, special assistant to the president, to confirm your participation. Anne will also be happy to answer any questions you may have.
